## Hotel Information

At Sun Moon Lake, hotels can be that expensive. Sun Moon Lake Teachers' Hostel is a proper hotel, not typical room-sharing hostel, offers good value for money. The lobby of the hotel has a institutional feel like in a university hall of residence and some of the hotel rooms offer lake views. The hotel is a 15-minute walk up the hill from the village. Single female travellers without transport should be aware that parts of the walk are isolated and dark at night. Travel sites such as lonelyplanet.com selected this as one of the recommended hotels in Sun Moon Lake National Scenic Area.
